On the next page are the very simple rules of Fast4tennis.

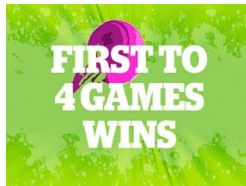

The fundamentals of tennis remain the same, but there are four rules that ensure matches are fast.

The rules of FAST4Tennis

1. First to four games wins

It doesn't matter how you get there, just make sure you do before your opponent does!

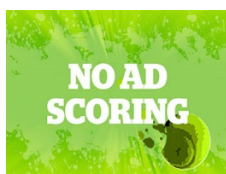

2. Tiebreaker at 3 games all - first pair to 5 points.

At 3 games all a tiebreak is played to 5 points. A deciding point is played at 4 points all.

3. No ad scoring

If the score reaches deuce, it's a sudden death point. The receiving pair chooses which side to take the serve on. However the pair cannot change positions. In mixed doubles the player of the same gender shall receive.

4. Play lets

If the serve clips the net and lands in the service box, there's no let and the ball is in play. In doubles either the receiver or the receiver's partner can play the return.
